To Organizations Offering Museum Jobs and Internships:

The Board of Directors of the Mountain-Plains Museums Association unanimously voted on September 11, 2018 to require that any jobs or paid internships posted to the MPMA Job Bank include the level of compensation (annual salary or hourly wage range). Unpaid internships must include that fact in the posting. This requirement is effective October 1, 2018, but is not retroactive for jobs posted before this date.
