

Registrar's Committee Mountain Plains Museum Association (RC-MPMA)
Annual Report
October 1, 2022
Tulsa, OK

Elected and Appointed Positions:

- Vice-Chair and Secretary were up for elections; as we only had one candidate for each, Casey Seger has likely been re-elected to Vice-Chair and Erin Brown has likely been elected to Secretary
- Elections/Nominations Chair Rachel Lovelace-Portal appointed after 2021 Annual Meeting
- Olivia Reyes stepping down as Membership Chair; Eldon Yeakel from Smoky Hill Museum in Kansas as incoming Membership Chair
- Still looking for a Development Chair to build scholarship support and outside of conference opportunities.
- Needing state representatives for Montana and Colorado.
- May be revising election protocols and adding professional development chair/coordinator

Business Meeting:

- Last year's guest speaker was scheduled to be Michael Suing, the Deputy Director of Public Programs and Special Projects at the National Music Museum, Vermillion. Due to speaker health issues, it was postponed to be a virtual presentation after the conference; due to Chair health issues, another delay occurred and Michael is not available to present at this time. We hope his schedule calms down so he is able to present a webinar later.
 - We did have the new CS-AAM Chair Linda Endersby bring words virtually at the business meeting before conducting table discussions with a list of suggested topics. Attendees numbered approximately 60 and seemed to enjoy the opportunity to network and chat.
- This year's guest speaker is Mark Davidson, Director of Archives and Exhibits / Curator of the Bob Dylan Archive from the Woody Guthrie Center / Bob Dylan Center. He will be presenting on audio in archives and on these two archives.
 - We are also attempting a hybrid meeting so that members not able to attend in-person may still attend the business meeting on Zoom. Our treasurer plans to present via Zoom.
- Inspired by ARCS Giveaway, for new/renewing memberships paid by March 31, 2022, we had a drawing for a copy of the new Museum Registration Methods 6th Edition. The winner was Susan Curtis from the Emily Reynolds Historic Costume Collection. We have added a few drawings to be given at the luncheon.

Membership Report:

- During the 2021 calendar year, we reported a total of **57** members. RC-MPMA will finish out 2022 with **53** paid members. This includes **44** renewing members and **9** new members. Membership dues paid past August 2022 will be considered current through December 2023.
- Payments continue to be easy with both PayPal and check options; the online payment platform may be changing as we look to integrate membership options and financials back with MPMA.

Scholarship:

- RC-ANR: To Be Announced
- RC-MPMA / UOVO: To Be Announced

Behind-the-Scenes:

- Last year's Behind-the-Scenes was at the Museum Resources Center at the end of the first evening event (the Old Courthouse Museum) for 20 attendees, who all very much enjoyed (and were jealous of) the space. We also ended up with a second event at the Washington Pavilion on the second night focused on art with 20 participants, who also enjoyed their tour.
- This year's Behind-the-Scenes will be at the Philbrook Museum of Art on the first evening. Registration was limited to 10 people.
- Due to previous years' misunderstandings and to make things easier on both sides, RC-MPMA is looking to discontinue the \$10 BTS charge. We will continue sponsoring the BTS tours and promoting RC membership at these events.

Newsletter:

- The Spring 2022 / Post-Conference Newsletter came out in May and the Pre-Conference Newsletter came out in late September, just before the conference.

Helping Hands:

- Last year, Helping Hands was at the Center for Western Studies and was limited to 10 participants due to COVID precautions and protocols. Due to a variety of issues, only 5 participants were able to go, which actually worked well with the space and project they had, entering metadata for a very large photograph collection. .
- This year will be at the Sand Springs Historical Society and is limited to 10 people.

CS-AAM:

- Libby Krecek represented the RC-MPMA at the in-person meeting of the Collections Stewardship professional network (CS-AAM) at the AAM in May. Alex Deselms has been attending the quarterly CS-AAM leadership Zoom meetings.
